

DEPARTMENT C - MARKET BARROWS

Superintendents: Katelyn Barthol & Kody Chase

Show Date: Sunday, October 2– Starts 15 minutes after conclusion of Gilt Show

Judge:

SWINE RULES

1. Swine exhibitors will be allowed to exhibit 2 barrows and 2 gilts.
2. The 2022 Barrow Show is a Pedigree Show.
 - a. Breed Classes are as follows: Berkshire, Duroc, Hampshire, Yorkshire, Dark AOB (Spotted, Poland China, Hereford), Light AOB (Landrace and Chester White), Dark Crossbred (non-pedigreed belted, red, and dark cross hogs with any black pigmentation), Light Crossbred (non-pedigreed white and blue butts).

Note: Exhibitors will need to nominate their crossbred pigs as Light Crossbred or Dark Crossbred on the nomination form.

b. Registration Certificates are required for all purebred barrows when the animals are weighed in and the papers are checked at the Kansas Junior Livestock Show. Registration certificates will not be accepted for purebred barrows if the certificate is still in the breeder's name and the exhibitor's name is simply written or typed in the "transfer to _____" category on the certificate. Breed associations reserve the right to pull certificates of animals without proper breed characteristics.

Note: An emailed copy of the registration certificate will only be accepted if it is emailed directly to the Kansas Junior Livestock Show from a national breed association office.

c. **Ear notches will be required for all barrows on the Kansas nomination form** and will be checked at the show. Purebred barrows without registration certificates, barrows whose ear notches do not match the notches recorded on their registration certificate and/or barrows whose registration certificate indicate the animal was mis-notched will not be shown in purebred classes. These barrows will be eligible for the crossbred divisions as long as they were nominated on the exhibitor's swine nomination form.

d. Purebred barrows must be nominated on the official 4-H/FFA nomination form by the June 15, 2022 nomination deadline.

e. The registration certificate must be transferred to the name of the 4-H/FFA member or approved Kansas 4-H/FFA family nomination name by June 15, 2022.

f. A qualified representative will be on hand to assist with registration certificate verification and breed classification. They will also pull DNA samples on Breed Champions and Reserve Champions as well as the Grand and Reserve Grand Champion overall (if from a purebred division) to test for the stress gene, verify parentage and to ensure breed purity.

g. All Duroc, Chester White, Hampshire, Landrace and Yorkshire barrows are to be

guaranteed negative of the stress gene to exhibit at the Kansas Junior Livestock Show. Berkshire barrows must be listed as stress negative on the pedigree or tested as stress negative to exhibit at the KJLS.

h. If an exhibitor questions whether or not their purebred barrow is stress negative, a stress test can be completed at the exhibitor's expense prior to the show to ensure that the barrow is indeed stress negative. If the purebred barrow fails the stress test, it can be moved to the crossbred division at weigh-in time at the show.

i. A barrow enrolled in a particular breed may be changed to the crossbred division before the end of weigh-in at the KJLS. A barrow originally nominated in the crossbred division will not be allowed to switch to a purebred classification after the June 15 nomination deadline.

j. Purebred barrows must meet all registration eligibility requirements of their respective breed associations. NSR and Team Purebred field staff or qualified representatives will inspect all purebred market barrows and pedigrees for breed eligibility.

k. Any purebred barrow that fails the DNA tests for the stress gene, parentage verification or breed purity will forfeit all premiums and awards. Showmanship standings, however, will not be affected by failed test results. If premiums and awards are not returned, the exhibitor will not be allowed to compete in future Kansas Junior Livestock Shows.

3. This year's barrow show will be non-terminal, including the Grand and Reserve Grand Market Hogs. **There will NOT be a base bid available for market animals this year.**

4. When exhibitors arrive on Friday, ear tag numbers are to be turned in at the swine check-in table. Exhibitors will get pen assignments at the check-in table as well.

5. Weight cards will be filled out during swine weigh-in on Saturday from 8am – Noon. All barrows and gilts will go through weigh-in to verify tag numbers, ear notches, and pedigrees. Exhibitors will be able to declare their weights for market barrows, see Rule 6. **WEIGH-IN PROCESS:** The weigh-in process has changed from previous years. To ease the stress on volunteer workers, animals, and exhibitors, KJLS Superintendents and volunteer workers will be coming to exhibitors stalls to complete the weigh-in paperwork. Exhibitor and/or a family member will need to be present, have weights for their swine declared, pedigree papers ready to present, and ear tags cleaned. Exhibitors will receive their show back numbers at this time.

6. Barrow exhibitors are allowed to declare their barrows weight. Minimum weight of barrows will be 230 pounds; maximum weight will be 290 pounds, with a 3-pound variance at weigh-in time if an exhibitor chooses not to declare their barrows weight.

7. Barrows failing to make the minimum weight limit of 230 pounds and barrows exceeding the weight limit of 290 pounds will be shown as super lightweight or super heavyweight animals. These animals will not be eligible to be shown as champions.

8. All barrows must be identified by an official electronic 4-H/FFA ear tag number and breed. **Ear notches will be required for all barrows on the Kansas nomination form and will be checked at the show.** Purebred barrow ear notches must match those on their registration certificate. Improperly or freshly notched pigs will not be allowed to show. Pigs should be ear notched using the universal notching system recognized by the purebred swine associations. All barrows must be identified by an official electronic **Kansas** 4-H/FFA ear tag number and breed.

9. A qualified veterinarian will also sift out late cuts or other quality defects. All decisions of the committee are final.

10. Barrows must be physically castrated.

11. Each exhibitor will be responsible for bringing their own shavings for their pens.

12. Swine Barn will be closed from 11:00 p.m. to 5:30 a.m. on Friday and Saturday. The barn will be off-limits to all individuals with the exception of show officials.

13. The first and second place animals of each class will be subject to a 12-pound weigh back. Any animal not making the 12-pound weigh back (either light or heavy) will be placed at the bottom of the class.

14. Barrows will not be permitted to leave the building for any purpose following check-in on Friday. Failure to comply will result in a disqualification from the Show.

BARROW PREMIUM LIST Premiums will be paid to at least half the class, but will not be paid past 10th place. Amounts will be based on a percentage of the entries per class.

DEPARTMENT D – BREEDING GILT SHOW

Superintendents: Katelyn Barthol & Kody Chase

Date: 8 a.m. Sunday, October 2

1. Entries must be registered Duroc, Hampshire, Yorkshire, Landrace, Berkshire, Chester White,

Poland, Spot, Hereford and Commercial Gilts that are farrowed on or after February 1, 2022. Exhibitors can enter up to 2 gilts.

2. Pedigreed gilts must meet all registration eligibility guidelines for their respective breed associations. It is the exhibitor's responsibility to be familiar with these guidelines.

3. Entries must be owned by 4-H/FFA members and registration certificates must be in the exhibitor's name or approved family nomination name by June 15 and will not be accepted if the certificate is still in the breeders name and the exhibitor's name is simply written or typed in the "transfer to _____" category on the certificate.

Note: A faxed copy of registration certificates will only be accepted if it is faxed directly to the Kansas Junior Livestock Show from a national breed association office.

4. Pedigreed and commercial gilts must have an official 4-H/FFA tag in their ear. **Ear notches will be required on the Kansas nomination form for Commercial Gilts** and will be checked at the show. Commercial gilts must be nominated by the June 15 nomination deadline. Pedigreed and commercial gilts must have an official electronic **Kansas** 4-H/FFA tag in their ear.

5. A representative of the National Swine Registry, Team Purebred and/or appropriate breed association representative will be on hand to assist with registration certificate verification and breed classification. Breed associations reserve the right to pull certificates of animals without proper breed characteristics. If a certificate is pulled, that gilt will not be allowed to show.

6. All breed champions, reserve champions, and/or randomly selected gilts may be DNA blood tested by breed association representatives for presence of the stress gene, parentage verification and breed purity based on their respective breed guidelines. Any gilt that fails these DNA tests will forfeit all gilt show premiums and awards. Any premiums/cash awards due will not be awarded until all test results are verified by breed association offices.

7. This show is non-terminal for pedigreed and commercial breeding gilts and no floor price will be provided for any swine.

8. Breed classes will be offered as follows and will be broken by age if numbers warrant it. A Champion and Reserve Champion will be selected for each breed. A Supreme and Reserve Supreme Gilt will be selected from breed champions and reserves.

Berkshire

Duroc Hampshire

Yorkshire Light AOB (Chester and Landrace) Dark

AOB (Berkshire, Hereford, Poland and Spot)

Commercial

9. The commercial gilt division will be broken by weight. Maximum weight on Commercial gilts is 375 lbs with a 15 pound weigh back. Exhibitors will be able to declare their weights for commercial gilts. The declared weight will need to be known at weigh-in. Please see Rule 5 in the barrow division to see how the Weigh-in process will go.
